

Dr Jonathan Wilson  
**MB BS, FRCA**  
*Consultant Anaesthetist*

Dr Jonathan Wilson qualified at St Mary's in 1980. Following various house jobs he began productive service in the Royal Air Force, and started anaesthetic training at RAF Hospital Ely with stints as registrar and then senior registrar at Addenbrooke's.

He joined Bedford Hospital on retirement from the RAF in 1993 and currently undertakes regular sessions anaesthetising for General Surgery, Orthopaedics, ENT, cardiology and other specialties as required.
