

Dr Richard Moxon
MA, BM, BCh, FRCS, FRCR
Consultant Radiologist

Dr Richard Moxon graduated from Oxford University in 1974, and went on to complete his radiology training at the Royal London Hospital, with a particular emphasis on interventional radiology.

His areas of interest include vascular and interventional radiology (working closely with vascular surgeons to provide a comprehensive vascular service including EVAR), abdominal and gastrointestinal radiology.

Dr Moxon is the lead radiologist for upper gastrointestinal, colorectal and hepatobiliary MDTs at Bedford.
