

Dr Rob Oakley
MB ChB, DMRD, FRCR
Consultant Radiologist

Dr Oakley gained his medical qualification in Liverpool in 1976 and continued his Radiology training, gaining the Diploma in Medical Radio-diagnosis (DMRD) in July 1980 and proceeding to the Fellowship of Royal College of Radiologist's (FRCR) in April 1982.

In 1983, at the age of 30, Dr Oakley was appointed consultant radiologist at Bedford Hospital. He is a general radiologist who no longer undertakes interventional radiology, but sub-specialises in MSK, Breast, Head & Neck and Paediatrics.
