

Dr Vivek Vohra
MD, DMRD, FFRRCSI(Dublin), FRCR
Consultant Radiologist

Dr Vivek Vohra graduated from Punjabi University, India in 1979, completing his MD (Radiology) in 1982 at the same university. He worked as a consultant radiologist at the Christian Medical College & Hospital, Vellore, India until 1987.

Dr Vohra went on to work as a consultant radiologist in Saudi Arabia for two years, before taking up a trainee radiology fellowship, initially for one year in Riyadh, and then in Merseyside. It is during the latter part of his training in the UK that he worked towards becoming an interventional radiologist with an interest in vascular radiology, gaining his Diploma in Medical Radio-Diagnosis in 1992, followed by Irish Fellowship (FFRRCSI) in 1994 and finally Fellowship of the Royal College of Radiologists later the same year.

Dr Vohra returned to India in 1996 as a consultant at the Apollo Hospital, New Delhi before coming back to the UK to join Bedford Hospital as a consultant radiologist in April 2004.
