

Dr Simantee Guha  
**MBBS, MD, FRCPath**  
***Consultant Microbiologist***

Qualifications:

MBBS Mahatma Gandhi Institute of Medical Sciences, 1994.

MD Manipal Academy of Higher Education, 2001.

FRCPath Royal College of Pathologists, 2009.

Dr Guha worked as a lecturer in Manipal College of Medical Sciences, Pokhara, Nepal from 2002-2005. Her special interest included medical education and development of undergraduate curricula.

In 2005 she moved to the United Kingdom. She completed basic and advanced medical microbiology and virology training at Cambridge University Hospitals NHS Foundation Trust with a year in Leeds Teaching Hospital NHS Foundation Trust. She worked as a locum consultant microbiologist with the Health Protection Agency, Birmingham for three months and in Bedford Hospital for five months before joining as a substantive consultant.

Dr Guha joined Bedford Hospital in December 2010 and has a special interest in clinical microbiology and laboratory medicine.
