

Dr John McNamara
MBBS, FRCA
Consultant in Anaesthesia & Intensive Care Medicine

Dr John McNamara gained his MBBS in London in 1989, becoming a Fellow of the Royal College of Anaesthetists in 1995. His training was undertaken in the London Teaching Hospital rotation. He joined Bedford Hospital in 1999.

Dr McNamara specialises in anaesthesia and critical care. He is also an undergraduate speciality tutor in anaesthetics, in addition to teaching and directing postgraduate life support courses in Bedford. Dr McNamara was also appointed to the post of deputy medical director in 2009.
