

Mr Masoom Muttalib

MBBS, MSc, MD, FRCS(I), FRCS(Gen.Surg)
Consultant Breast and Oncoplastic Surgeon

Mr Masoom Muttalib graduated (MBBS) from St. George's Hospital Medical School (University of London) and gained additional surgical experience in Washington DC. with qualifications (MD) from the State of Connecticut (USA) in 1998.

He completed his postgraduate Masters degree (MSc Surgical Science) at University College London, with further clinical experience at Chelsea and Westminster Hospital and Charing Cross Hospital, London.

Mr Muttalib moved to Birmingham for Higher Surgical (Specialist Registrar) Training in the West Midlands region in 2004 gaining experience in breast cancer and oncoplastic breast surgery. His training includes the British Association of Plastic Reconstructive Aesthetic Surgeons (BAPRAS) breast surgery course, Advanced Breast Augmentation Course (London Plastic Surgery Associates) and the renowned Winchester Oncoplastic Masterclass (Royal College of Surgeons of England).

He gained accreditation from the Royal College of Surgeons Intercollegiate Specialty Board in 2009 pursuant to his Certificate of Completion of Training (CCT) and is on the General Medical Council (GMC) Specialist Register.

Mr Muttalib joined Bedford Hospital NHS Trust in 2011. His specialty interests include breast and oncoplastic surgery with research work and publications presented in the UK and USA and to global scientific conferences as diverse as Bordeaux, Athens, Dubai and Hong Kong.

Mr Muttalib offers a complete breast surgery service including:

- Breast clinic assessment with diagnostic biopsy, including benign conditions
- Guided surgery for breast screening patients
- Staging with sentinel lymph node biopsy
- Breast surgery utilising oncoplastic (cosmetic) techniques

His teaching experience encompasses undergraduate medical students right up to senior members of the surgical team. He is an instructor on the Royal College of Surgeons Basic Surgical Skills Course and Examiner for the European Board of Surgery.
