

Mr Joseph Sherlock
BDS FDCSRCS (Eng.) MSc. M.Orth RCS FDS.Orth RCS NLTP
Consultant in Orthodontics

Mr Joseph Sherlock qualified at Kings College School of Medicine and Dentistry in 1996 and gained his fellowship in dental surgery in 1999. He then went on to undertake specialty training in orthodontics at Kings College Hospital and St. George's Hospital, London.

Mr Sherlock was appointed as a senior registrar and undertook consultant training in orthodontics, specialist cleft orthodontics and maxillofacial orthodontics at The Glasgow Dental Hospital and School and Crosshouse Hospital, Kilmarnock from 2006 to 2008.

Mr Sherlock took part in the new lecturer and teacher programme at The University of Glasgow before taking up his post as a locum consultant in maxillofacial orthodontics at Northwick Park Hospital, London in January 2009.

He was appointed as a consultant in orthodontics at Bedford Hospital in 2009 and his special interests include combined orthodontics and orthognathic surgery, combined orthodontics and restorative dentistry and teaching in orthodontics (modern techniques and innovations).

Medical secretary: June Seamark 01234 792247.
