

Entitlement

Whether child or adult, one only is issued. They are not supplied for sport use only as it will be expected that the patient will be responsible for the purchase of these.

Repair and Replacement

It is the patient's responsibility to ensure that they ring the orthotic service at any time that they feel their knee brace needs repairing or replacing.

Long term users will be supplied with a replacement when their current brace is beyond economical repair. The old/existing brace **MUST** be brought to the orthotic appointment.
